Principal's Message

We are so grateful for another fantastic month at Timberlea Public School. Our students, teachers, educational assistants, custodial and office staff have been busy getting classrooms ready for the holiday season. Our holiday concert season is upon us and we ask you to save the date of December 19, 2023 for our two concerts. The students have been practicing and cannot wait to hit the stage!

We began this month with a joint commemorative assembly with our neighbours, the staff and students of the Fort McMurray Christian School. We spent our moment of silence remembering our veterans and how much they sacrificed for our freedoms. We had a record number of parents join our assembly and would like to express our gratitude for their dedication and engagement with the school.

Our athletics program continues to thrive with our girls and boys volleyball season coming to an end. Both teams improved so much thanks to the dedication and volunteerism of our coaches, Ms. Elly, Ms. Vanessa, Ms. Martin, Ms. Shelley & Ms. Kim. Our floor hockey team has started practicing and will be competing December 1st and 2nd.

Fort McMurray Public School Board trustees visited our school, led by Dawson Pieroway, the Deputy Prime Minister of Wolf Land and School Council Chair, Carla Seguin. We also had our Jr Elder Keeper Ava Pruden host Kookum Trudy Cardinal to bake bannock with our Grade Five students, and learn the Cree words for various ingredients.

Scientists in School Visit Timberlea

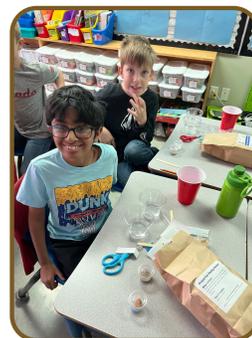

Our Grade One, Grade Three and Grade Six students participated in a virtual program called "Scientists in School" where students enjoyed the hands on experiments and interactive presentation. Way to make science come alive in Ms. Morris, Ms. Adams and Ms. Hiebert's classes!
