## Principal's Message

This has been a spectacular month at Timberlea Public School. We have been busy with extracurricular opportunities and preparing for our last Market Day for the year.

On Wednesday, April 24th, students will bring MicroSociety to a close with their last chance to prepare, sell, and purchase materials. We are grateful for our sponsors this year, Enbridge and Flint Corp for donating \$1000 to our MicroSociety. It is these partnerships that allow us to continue this unique program.
