# MicroSociety Job Fair

Timberlea Public's MicroSociety is in full gear! Citizens of Wolf Land participated in a Job Fair hosted by the newly elected Government of Wolf Land and their established Operations & Maintenance Department. Venture Facilitators (aka Teachers) hired their Managers and Assistant Managers who received resumes and job applications from interested students and future employees. Next up in MicroSociety is the INTERVIEW PROCESS! This real life experience provides real world experiences and supports workplace preparation. Go #Timberwolves!
