

This month has been full of incredible opportunities for our students to develop their leadership and acquire new skills:

- MicroSociety Market Day
- Government of Wolf Land's Earth Day Clean Up organized by Ministers of Health and Environment
- Field Trips to Heritage Village, RMWB Landfill and
- Alien In Line Residency
- Jump Rope for Heart Loose Change Challenge
- Loose Parts Play
- Spotlight on Education presentation to the Board of Trustees
- Holka Polka Play
- Robotics

# Loose Change Class Challenge

## Jump Rope for Heart

Hello Parents!

We're on the home stretch of our *Jump Rope for Heart* fundraiser! Help us with a final push by donating loose change (nickels, dimes, loonies and toonies). Besides going to a good cause, a "Loose Change" donation gives your child the option to participate in a skipping/jumping challenge in physical education class. Also, the class that brings in the most loose change, gets a surprise! **Deadline, Monday, May 26<sup>th</sup>.**

**Step 1:** Search all the nooks and crannies in your home and vehicle, empty your pockets and remember the junk drawer! Make it a family activity!

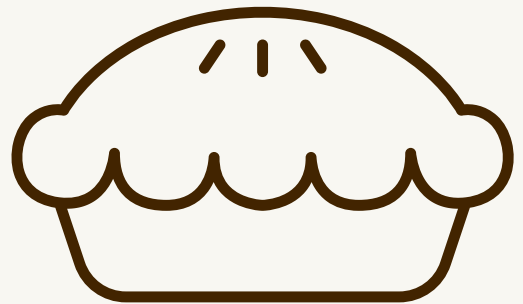

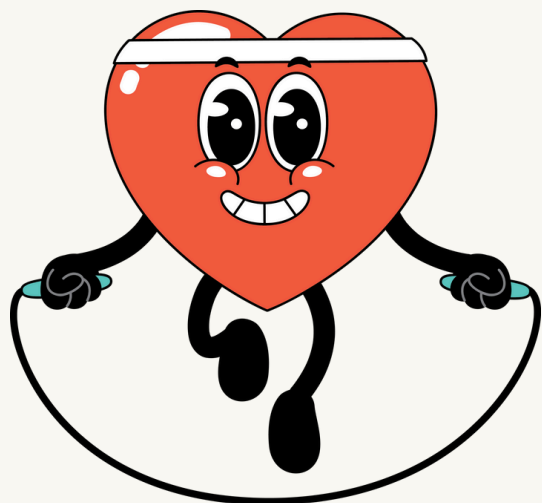

**Step 2:** Put your change in this envelope. Seal it. Write the amount of change and class here: \$\_\_\_\_\_ Class: \_\_\_\_\_ Name (Optional): \_\_\_\_\_

**Step 3:** Drop the envelope in the box in the office.

**Every coin counts!**

# jump rope for heart

JUNE 28<sup>TH</sup> AT 1:30PM

# Stopp

# Loose Parts

Loose parts play offers numerous benefits for children, including boosted creativity, imagination, and problem-solving skills. It also supports physical development, social and emotional growth, and enhances cognitive abilities.
