When I Say Terry, You Say Fox!

This month started off by transitioning back to school schedules, building routines, completing important assessments to guide our teaching and learning practices.

While curricular standards are core to our function as a school, we also prioritize active citizenship amongst our students.

#Timberwolves learned about Terry Fox's heroic efforts for cancer research and participated in our 35th anniversary of the Terry Fox Walk raising almost \$2000!

A Great Place to Learn and Grow
